SITUATION SUMMARY

PUBLIC HEALTH AND MEDICAL (EF-8) SITUATION REPORT, as of 10/27/14:

- There are currently no suspected or confirmed cases of the Ebola Virus Disease (EVD) in California. The risk of EVD to the public is very low. Healthcare providers may be at a higher risk for EVD infection.
- As of October 23, the World Health Organization has reported a cumulative total of 10141 suspect, probable, and confirmed cases and 4922 deaths.
- Current guidelines released by CDC are posted on the CDPH website available at: <http://cdph.ca.gov/programs/cder/Pages/Ebola.aspx>
- Guidelines for Emergency Medical Services (EMS) personnel: http://www.emsa.ca.gov/ebola_control

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought – [Bi-Weekly Drought Briefing attached](#).

Magnitude 6.0 Earthquake, American Canyon, Napa County (Update)

- The California Governor's Office of Emergency Services (Cal OES) and the Federal Emergency Management Agency (FEMA) announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.

CAL OES COASTAL REGION

- San Francisco DEM will activate their EOC today for the 6th Game of the World Series.

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A frontal boundary moves onshore over Del Norte County later this afternoon. This feature will bring periods of light rain Tuesday night and Wednesday. Thursday afternoon into Friday, a cold front will bring widespread rain to the region.

San Francisco Weather:

Today into Wednesday, the forecast area will have clear and seasonably warm weather with high pressure over the state. On Thursday, winds will turn southerly ahead of an approaching cold front. Rain will develop in the North Bay Thursday night and then spread southward through the Bay Area and Monterey Bay region Friday morning. Showers will continue Friday afternoon through Saturday morning. Dry weather will return by Saturday night as high pressure rebuilds and continues through early next week.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Mild weather will continue for the forecast area through Thursday. A frontal system will impact interior northern California Friday (Halloween) and Saturday with valley rain and Sierra snow.

Hanford Weather:

High pressure will build inland today and bring dry conditions and a warming trend to the area through Thursday. A low pressure system will move across the area by late in the week and bring a chance of low elevation rain and mountain snow Friday night through Saturday morning.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A building ridge and weak offshore flow will bring above normal temperatures through Wednesday. A low pressure trough is expected to cool temperatures and bring possible light rain to the area by the end of the week. Then the ridge is expected to rebuild and bring dry and warmer weather next week.

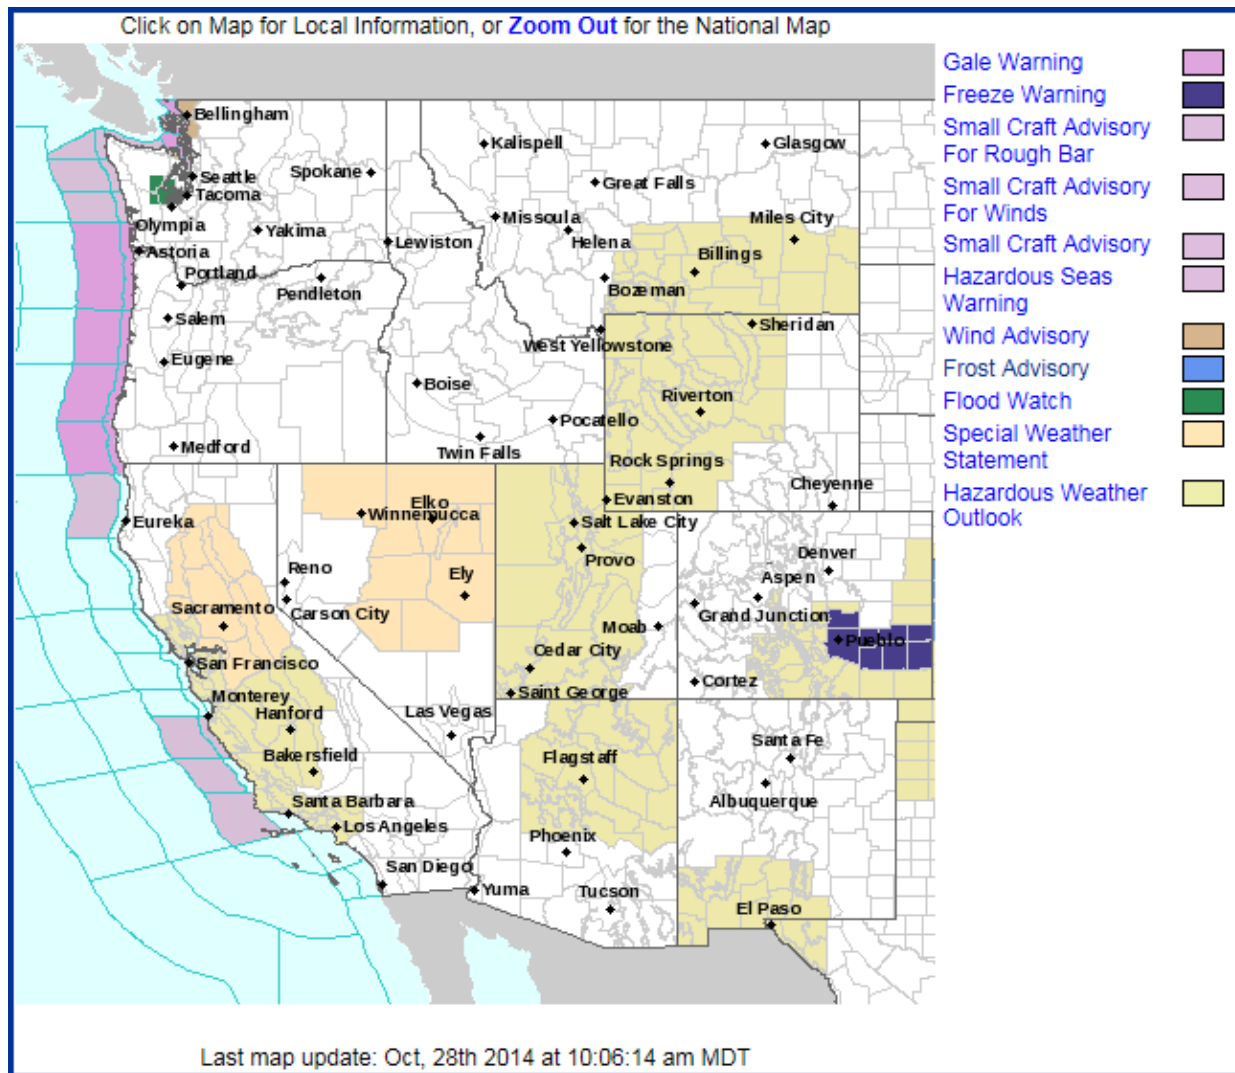

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

High pressure aloft and weak offshore flow will bring a warming trend through Wednesday with locally gusty northeast winds near the coastal foothills. Cooling will begin Thursday and increase Friday as a Pacific low pressure system moves toward the West Coast. More extensive night and morning coastal low clouds will return with the marine layer slowly deepening. For Friday night and Saturday, the low pressure system will move inland through California bringing cooling, a much deeper marine layer, gusty west winds, and a chance of mainly light precipitation. Slow warming for Sunday with greater warming and inland drying for Monday and Tuesday.

Southeast California Weather:

Anticipate little change in high temperatures today along with clear skies. Temperatures warm a few degrees Wednesday and Thursday with little change Friday and temperatures will be in the upper 80s to low 90s for the deserts. Over the weekend, a dry, cold front will bring much cooler temperatures and breezy conditions with highs dropping into the 70s in the lower deserts.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15. In addition, the Disaster Loan Outreach Center, located at the College of the Siskiyous Life Science Building 3, Room LS-1, 800 College Avenue, Weed, California 96094, [closed on 10/23/14](#).
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- Non-food items have transitioned from the Salvation Army to a collaboration of four non-profit agencies involved in the distribution of items such as baby clothes, diapers, clothing, etc.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group.
- The College of the Siskiyous website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- Due to the high levels of asbestos found in the destroyed library, the Siskiyou County Health Officer, US/EPA, and CalRecycle recommend the temporary relocation of families living in the undamaged homes directly adjacent to the library. However, the City is temporarily sheltering (less than 30 days) one family displaced by the debris removal activities at the library location.
- US EPA completed removal of asbestos from the library.
- The Applicants Briefings for the Boles Fire FMAG and the CDAA 2014-4 Siskiyou County Wildfires is today 10/22/14, beginning at 0900 hours at the College of the Siskiyous, 800 College Avenue, Building 3 Room 3 in Weed.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

16,405.09 total tons of debris have been removed as of day 23 of operations (205.09 tons of metal delivered for recycling; 5,647.55 tons of concrete delivered for recycling; and 10,552.45 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 23

- 135 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 10 Sites denied entry.
- 135 Sites documented.
- 135 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 63 Sites cleared of asbestos containing material.
- 108 Debris removal completed.
- 59 Sites sampled.
- 14 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- The California Governor's Office of Emergency Services (Cal OES) and the Federal Emergency Management Agency (FEMA) announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.

Recovery Activities

- Based on a request for additional IA information for the major disaster declaration request, IA teams conducted PDAs 09/08/14 through 09/12/14 in Napa County, the City of Vallejo, and Solano County IA PDA teams conducted additional PDAs 09/17/14 through 09/19/14 finalizing PDAs in Napa County. The Presidential Declaration request letter along with supplement information was forwarded to FEMA for consideration.
- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and seven (7) were withdrawn for a total of fifty-two (52) RPAs submitted to FEMA. Twenty-eight (28) Kickoff Meetings have been completed and four (4) additional Kickoff Meetings are scheduled.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. Due to the absence of local faith based and other organizations that may have resources, Solano VOAD will reach out to expand the engagement of additional nonprofit and faith based partners. Once the organizations are identified, a follow up meeting will be held in hopes of identifying key leaders interested in forming an LTR committee.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC and REOCs are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
